

## 2nd German Movie Night @ CUHK 2019

### **The Experiment**

**A fascinating simulation of a prison situation investigating the psychological effects of perceived power between guards and prisoners.**

For two weeks, 20 male participants are hired to play prisoners and guards in a prison. The "prisoners" have to follow seemingly mild rules, and the "guards" are told to retain order without using physical violence. Everybody is free to quit at any time, thereby forfeiting payment. In the beginning the mood between both groups is insecure and rather emphatic. But soon quarrels arise and the wardens employ ever more drastic sanctions to confirm their authority.
