Hong Kong Scholarship for Excellence Scheme

2018/19

Objective

To support outstanding local students to pursue undergraduate and postgraduate studies in world renowned universities outside Hong Kong.

Eligibility

To be eligible for the scheme, applicants are required to meet the following two criteria:

- (a) have right of abode or right to land, or have entered Hong Kong on One-way Permits; and
- (b) have resided in Hong Kong continuously for three complete years immediately prior to the commencement of the academic programme outside Hong Kong.

Besides, for undergraduate programmes, only students receiving their formal school education in Hong Kong are eligible. For postgraduate programmes, students who have obtained their academic qualifications either in or outside Hong Kong are eligible.

Amount

Up to 100 scholarship offers would be made per cohort. Each awardee will receive a non-means-tested scholarship of up to \$250,000 and a means-tested bursary of up to \$200,000 per annum. The value of the award may be correspondingly reduced if an awardee also receives other awards to finance his/her same studies overseas.

Once awarded, a scholarship will last for the normal duration of the concerned programme in respect of undergraduate studies and up to two years in respect of all postgraduate studies.

Undertaking to Return to Work in Hong Kong

Awardees would be required to complete the specific study programme and undertake to return to Hong Kong upon graduation to work for at least two years or a period equivalent to the duration of receiving the scholarship, whichever is longer.
