Hello Master Sun,

It has been great staying at the S.H. Ho College over the past several months. Im glad to have been a part of the family and community the college has cultivated. The local friends, exchange students, sporting events, communal dining, high table dinners, and of course faculty like yourself have positively changed the dynamic of my experience here in Hong Kong and at CUHK.

I hope you and your wife are having a great time connecting with you son again in California! You guys must be proud parents - your son has many achievements I only hope to partially attain one day.

I would like to wish you and your family a very happy and healthy new year! Have fun celebrating!

I've also attached the picture of us before you left HK.

I hope our paths cross again soon - keep in touch.

Sincerely,  
Stacie Leung
