Green Life Ambassadors Appointed Ceremony

GLA Training

GreenWS Day: Our green signature event every year

The "Tube" Christmas Tree: We used the recycle materials, faulty fluorescent tubes and reused of decorative materials to build our first Tube Christmas Tree!

Green + Care: Free Blankets – giving away. "Green + Care Spirit" all around our College!

Rooftop Organic Planting Course

Green Visit to Stanley Sewage Treatment Works (赤柱污水處理廠)

This is the first cavern sewage treatment works in Hong Kong. The caverns are connected by a series of access and ventilation tunnels and shafts together.

Washing Detergent Workshop

Coffee Ground Soap Workshop (咖啡渣肥皂工作坊)

Green Cooking Class for Green Life Ambassadors

Green Life Ambassadors were promoting Green Cooking.

Ultimate Goal of all the Green Activities:

In 2016-17, we will strengthen our Green Life Ambassadors team and will expect them to take the lead in promoting “Green + Care” to students and the community.
