1. About Us

Wu Yee Sun College was established in 2007 through the generous support of the Wu Yee Sun Charitable Foundation Limited. The College is a medium-sized college of 1200 students with about 300 new students joining us every year. The College admitted its first cohort in September 2012.

The College Motto

SCHOLARSHIP AND PERSEVERANCE

Through its diverse programmes of general education, college student life, as well as cultural and overseas exchanges, the College aims to broaden students' horizons (scholarship), and encourage them to forge ahead (perseverance) in making contributions to society leading a productive and fulfilling life.

博學篤行

◀ *The Doctrine of the Mean* Chapter 20

"One must make extensive study of what is good, examine it with a critical eye, reflect upon it with care, judge it with a clear mind, and carry it out earnest"

5. General Education

GEYS1010 - Creative Social Responsibility and Sustainable Development (First Year)

Time: Fridays (3:30pm – 6:15pm)

(This course will be offered in both terms. This course should be registered by students themselves through CUSIS. Please take reference to the recommendation by your major department and make sure there is enough course load when planning your course schedule in both terms.)

Course details:

This course consists of four major components:

1. Our Roles for a Sustainable Future

How can we lead a good life in a just society? How can individual actions affect events at a global scale? These are the questions every student should ask and take seriously. We will explore them through the United Nation's 17 Sustainable Development Goals (SDG) in this section of the course.

2. Sustainable Development for Our Future

This section of the course seeks to help students to think about what their future is going to be like if humanity continues business-as-usual. Selected issues that critically impact the future of our planet will be discussed. In-depth discussion on the issues, including responses from various sectors of the society around the world, will be guided by the SDG Framework.

3. Sustainable Development of Cities and Communities to Ensure Good Health and Well-being

This section of the course enhances students' knowledge on impact of urban development on health and well-being by making use of concept of Healthy City to illustrate socio-economic and political determinants of health. It aims to broaden the students' concept of health and well-being to address issues of sustainable urban development. This section focuses on 2 key SDG's, Good Health and Well-being (SDG 3) and Sustainable Cities and Communities (SDG 11). Other determinants for health and well-being, such as reduction of poverty (SDG 1) and reduction of inequality (SDG 10), and health justice (SDG 16), will also be discussed.

4. Creativity and Design Thinking for a Sustainable Future

This section of the course examines the topic of creativity and design thinking. The key question to be discussed is how we can put design creativity to good use in our everyday life as well as in projects that we choose to pursue to create a world of peace and prosperity.

Lectures are supplemented by a variety of activities to enhance students' exposure to related topics discussed in class, including cultural walk, movie appreciation and more. Students could register for their desired activities at term start.

GEJC1020 – The Hong Kong Story (First Year)

**For non-Cantonese speaking students only*

Time: Fridays (3:30pm – 6:15pm)

*(This course will be pre-assigned to non-Cantonese speaking students. If you would like to take the Cantonese-based course GEYS1010, please inform the College about your decision. The course is offered in **term one ONLY**. Please take reference to the recommendation by your major department and make sure there is enough course load when planning your course schedule in both terms.)*

Course details:

From the crown jewel of the British Empire to the SAR of the PRC, the Hong Kong story has undergone many ups and downs, twists and turns. Designed from a sociological perspective, but specifically for students without sociological background or much background knowledge about Hong Kong, this course shall guide them through the journey of Hong Kong and its people so far. It will pick up popular images about Hong Kong, such as "a laissez-faire economic miracle", "the safest place in the world", or "the land of opportunity", evaluating their validities or tracing their origins and implications.

Integrating experiential learning and e-learning strategies, this course should offer students a range of new learning experiences and new angles of approaching the society that we are living in.

GEYS1000 - College Assembly/College Forum *(This course is pre-assigned to College students#)*

All students are required to attend one College Assembly and one College Forum each term.

College Assembly (All Years)

One College Assembly has been scheduled each term. Details are as follows:

First Term – Inauguration Assembly

Date: 7 October 2022 (Friday)

Time: 11:30am

Second Term – Closing Assembly

Date: 21 April 2023 (Friday)

Time: 11:30am

College Forum (All Years)

All students are required to attend at least one College Forum or High Table Dinner each term. However, students are welcome and encouraged to attend more than one event.

Please pay attention to related emails on College Assembly/Forum.

GEYS4010 - College Senior Seminar (Final Year)

In the 'College Senior Seminar', students have to design and plan, in small groups, innovative social ventures that promise to bring social benefits to the community.

The College is developing a final year course with service-learning components. Details will be released in due course.

#GEYS1000 – College Assembly/College Forum is optional for exchange students. Attendance (Pass or Fail) of the Assembly/Forum will be shown on their transcripts if enrolled in this course.

8. Learning Path at College

In order to support our students along their journey in University, the College provides a variety of programmes in tiers for students to adopt the College and University life. The College initiates a meet-and-greet session for the following programmes. Students are connected with the professional, college members and peers to get further support for equipping themselves for another stage of life. Students are encouraged to initiate gatherings after the meet-and-greet session with the corresponding individuals based on their needs.

A. College Student Advisor Scheme

The scheme aims to create bonding with assigned College members and peers for easier adjustment to College and University life. Students will meet their advisors through an informal gathering organized by College.

Enquiries: Ms Sammy Kwan @3943-9775 / sammykwan@cuhk.edu.hk

B. Rance Lee Mentorship Programme

The programme is jointly organized by the College and the College Alumni Association, aiming to promote multifunctional social networking. It is a group-to-group mentor-mentee model. We hope participants can get support and inspiration from each other to realize their personal goal with the lifelong membership of the programme.

Enquiries: Miss Kiki Chan @ 3943-3935 / kikiwkchan@cuhk.edu.hk

C. Internship Programme

Internship Programme allows students to get a taste of working life and lay down solid foundation for their future career. This programme can also support students to extend their exposure out of their academic framework.

The College also provides various self-initiated project funding schemes to support students to realize their wild ideas, pursuing their dreams and meanings of life.

11. Creativity Laboratory

A creative space for idea exploration

Creativity Laboratory (clab) is the first of its kind in CUHK dedicated to creativity. It is also the signature of the College. Located in the middle of College campus, clab is a playground ideal for all students in any discipline to create beyond your imagination!

clab is a space with partitioning and malleability. You are encouraged to

- Exchange ideas and brainstorm at IDEA ZONE
- Transform ideas into reality through conducting experiments and working on prototypes at CREATE ZONE
- Inspire the others through displaying works in the SHOWCASES

clab is a one-stop platform for seeding ideas, developing prototypes and displaying works to inspire the others or forming partnerships for further development.

Equipped with professional hardware including sewing machine, power drills, woodworking tools, 3Doodler, iMac, photographic equipment and multi-media applications, clab provides an ideal environment for the Sunnies to unleash their creativity and transform their vision into reality. You can request the items via [online booking system](#).

clab organizes different activities including talks, workshops, competitions, exhibitions and visits to inspire your imagination!

12. House of Sunny Living

The establishment of “House of Sunny Living” is Wu Yee Sun College’s initiative for promotion of healthy living style. It aims to transform our students into a **positive and radiating energy force to make the world a better place**. Our whole person approach starts with helping students to **discover their passions, dreams and sense of purpose in life** so that they can **form their own identity** and develop a **character of integrity and perseverance**.

The House adopts a holistic three-pronged community approach by integrating three dimensions of “health and spiritual well-being”, “sports for life” and “go green and lead the society” to target the well-being of the body, mind and spirit of our students and encourage their contributions to the environment and society.

Health and Spiritual Well-being

Relaxation workshops such as zendala workshop and mindfulness practice designed for strengthening and training for mind and body can be found here. You can also learn to eat wisely through joining our healthy cooking class.

Sports for Life

Diversified sports activities such as Yoga Class, Multi-culturalism x Sports – Kabaddi and Sunny Relay Race are offered to promote healthy living and sports fun. To motivate students to establish routine exercise practice, certified fitness trainers are stationed at our gymnasium to provide personal fitness advice and lead fitness classes.

Go Green and Lead the Society

Environmental conservation is an essential component of social responsibility. The College has thus been promoting green atmosphere to increase students’ sense of responsibility to the environment.

13. Green Activities

Acting out the College slogan “Go Green! Be Sunny!”, our College offers an array of green activities to raise students’ awareness on environmental protection. For instance, our College students formed a Green Team comprising of members committed to greening the College campus and promoting green messages to their peers, communities as well as the general public. Green Team has since its initiation been involved in organic farming at the rooftop garden of our College, and is actively involved in different green activities.

Past College Green Activities include:

Rooftop Farming

At the College rooftop garden, Green Team harvested many tasty fruits and vegetables during the past years and shared with the College students the products of their hard work.

Dolphin-Watching Boat Trip

A rare opportunity to learn to protect the sea, protect the environment, protect the world’s pinkest wild dolphins by understanding the threats these dolphins are facing every day, and self-reflecting what you can do to conserve the nature.

In Touch with Nature

Hiking and Planting Day and Eco-Cultural Tours are some traditional ways of getting in touch with nature. Our Sunnies experienced how their minds and bodies are immersed in nature in a more innovative way – horticultural therapy.

Hostel Free-cycling Event

Held every year during hostel move-in and withdrawal periods, the event promotes the reuse of hostel items.

If you would like to know more about the College’s green activities or would like to organize your own College green activities, please contact Ms Sonia Yu at 39433937 or soniayu@cuhk.edu.hk.

14. Funding Schemes

College provides various funding schemes for YOU to initiate your own Projects!

Be Entrepreneurial! Funding Scheme (「創出我天地！」學生資助計劃)

The funding scheme supports short-term student projects that will realize the College's core values of creativity, entrepreneurial spirit and social responsibility, with a maximum funding amount up to HK\$20,000. All College students, regardless of discipline and year of study, are welcome to submit application all year round.

Dorsett Young Entrepreneur Scholarship(帝盛青年創業家獎學金)

Dorsett Young Entrepreneur Scholarship aims at providing students, who are year 2 or above and preferably have exposure to Mainland China, an opportunity to demonstrate entrepreneurial talents with innovative ideas to set-up their own business, targeting Hong Kong and/or the Mainland China market. Awardee will be offered up to HK\$80,000, which is subjected to the total number of applications per year.

Global Learning Award Scheme (寰宇學習獎勵計劃)

The scheme supports Wu Yee Sun College students to take part in or self-initiate short-term (less than a month) and long-term (more than one month but less than six months) academic or experiential learning programmes outside Hong Kong, such as academic conferences, competitions, field trips, language programmes, cultural tours and so on. The maximum award to successful short-term applicants is HK\$12,000 or 50-100% of particular items, whichever is lower; to successful long-term applicants is HK\$15,000 or 100% of particular items, whichever is lower.

Enquiries: Miss Kiki Chan (3943 3935 / kikiwkchan@cuhk.edu.hk)

Rance Lee Award

Creativity and Sunny Living are two of the College's central forces. In order to enhance the development and interaction among our students, Rance Lee Award has been established to promote the creativity for Sunny Living in the following three areas, (a) Health and Spiritual Well-being, (b) Lifetime Sports and (c) Green Life. Awardee in each area will be offered up to HK\$10,000. Take action and live up the Sunny Living attitude!

Self-Motivation Fund for Sports Activities / Health and Well-being Activities / Green Activities (「自選遊」體育 / 身心靈健康 / 綠色活動資助計劃)

The Self-Motivation Funds encourage students to participate in various kinds of sports activities / health and well-being activities / green activities in order to instill positive energy and promote sustainable living. Up to 60% or \$1,500 (whichever lower) of the course and application fees will be subsidized to support students to join activities organized by organizations other than the College.

16. Student Pastoral Care

It is not uncommon for freshmen like all of you to encounter various academic, emotional, interpersonal or family concerns and difficulties as you adjust to university life or pursue personal growth. You may wish to know the below ways that you can seek support or advice from the College and the University when you face problems:

- 1) You are welcome to speak with our **College Dean of Students, Associate Deans of Students and Wardens** when you have problems that need resolving. Please contact Ms Sammy Kwan at **3943 9775** or Miss Kiki Chan at **3943 3935** for arrangement.
- 2) You may also approach the University's **Student Wellness and Counseling Centre** at **3943 7208** for help.
- 3) A **24-hour Emotional Support Hotline** at **5400 2055** is launched to assist all CUHK full-time students in need of emotional help. The hotline is operated by trained counsellors from Christian Family Service Centre which offers telephone counselling and crisis interventions. You are welcome to call when facing emotional distress and critical situations.
- 4) (Chinese Only) **賽馬會心導遊計劃**提供網上自助心理支援平台，同學可登記成為會員，進行簡單的心理健康評估。平台會根據評每個人的個別需要而建議合適的課程或服務。只要每日抽少少時間參與平台上的課程，就可以隨時隨地提升自己的心理健康。
- 5) **Sunshine at CUHK Campaign** aims to foster an atmosphere of warmth and mutual care on campus. Under the campaign, all CUHK members are invited to become "CU Angels" by hanging out a sign to tell the students around them that they are willing and ready to listen to their troubles.

You may visit our [College website](#) for more information as well.

17. Important Reminders

Academic Honesty

CUHK places very high importance on honesty in academic work submitted by students, and adopts a policy of zero tolerance on academic dishonesty.

- **Plagiarism.** Use the work of others as one's own without acknowledgement. No exception for group projects!
- **Undeclared multiple submissions**
- **Employing or using services provided by a third party** to undertake ones' submitted work, or providing services as a third party
- **Distribution/Sharing/Copying of teaching materials without the consent** of the course teachers to gain unfair academic advantage in the courses
- **Violating rules** of the University's Examination or the University's Online Examination
- **Cheating** in tests and examinations
- **Impersonation fraud** in tests and examinations
- All other acts of academic dishonesty

Warning: All related offence will lead to disciplinary actions including termination of studies in the University.
More information: www.cuhk.edu.hk/policy/academichonesty/

Proper Use of CU Link Card

Do not use somebody else's card or lend out your card.

Warning: Identity misuse can lead to **serious consequences!**

Beware of Telephone Deception

If you receive a call from someone you do not know:-

1. Do not readily believe what callers say. Call your friends and relatives to verify if they know the caller.
2. Do not disclose personal information to strangers such as bank account no., online banking password etc.
3. Do not deposit money into a stranger's bank account.
