#### Sunny Review

#### 上周回顧

- [1. Book Sharing Session by College Students 書院同學新書分享會：〈低碳·好行〉](#)

Wu Yee Sun College students have co-authored a book entitled 《低碳。好行》 (Low Carbon Tourism) in name of a student-run non-profit organization [V'air Hong Kong](#) – an online platform for promoting local travel. It is our great pleasure to have the authors including Chung Sum Yue (GRM/3), Li Suet Ying (CHLL/4), Lui Wai Shan (CHLL/4) and Yeung Tsz Chun (GRMD/Class of 2017) to hold a book sharing session in Creativity Laboratory (c!ab) on 13<sup>th</sup> Feb to share their journey of establishing V'air and completing the book.

V'air lives up to Wu Yee Sun College's core values – “Creativity” and “Social Responsibility”. During the book sharing session, the authors shared a number of green tips with the audience. Both the staff and student participants exchanged their views and information on living a “Go Green! Be Sunny!” life.

V'air received the College's support through the funding scheme **Sunny Passion Programme** in 2017. A group of applicants of the scheme this year was glad to gather at c!ab to exchange their ideas with each other, trying to get some tips and insights on the award-winning formula from V'air. The participants had a great night with fruitful discussion and they will work out their proposal to face the next challenge for the Sunny Passion Programme. Stay tuned!

## 2. Lunar New Year Lunch with College Workmen 書院工友團年飯

To express our gratitude to our College workmen's hard work in keeping the campus clean and secure, College Master Professor Anthony T.C. CHAN (院長陳德章教授) and his management team hosted a Lunar New Year Lunch last Tuesday and got to know them better apart from the day-to-day interaction. The lucky draw was the climax of the lunch, and nobody was disappointed as College Master and his management team prepared a gift pack on top of the lucky draw for everyone!

### 2. Open Recruitment of WYS International Team Members

In order to enhance the interaction and bonding between students coming from different regions, the International Team has been established to organize activities that suit both local, international and exchange students. The College International Team is now recruiting new members. **All full-time local and international students are most welcome to be a team member!**

The medium of language for communication in International Team is English since some members may be unable to read or speak Chinese. Besides, the International Team has to organize at least 2 activities per semester, excluding welcoming and farewell meal for exchange students. - Interested in organizing international activities in the college for local, international and exchange students
- Keen on interacting with students from regions that are different from theirs
- Willing to introduce their own culture and know more about other cultures

If you think you are the kind of person as described above and would like to be International Team members, please complete and submit the online form (<https://cloud.itsc.cuhk.edu.hk/webform/view.php?id=4778019>) by **4<sup>th</sup> Mar 2018**. ## 3. AIESEC CUHK - Youth Speak Forum <This Friday!>

Hello! We are AIESEC in CUHK, an international youth-run organization aiming to develop youth leadership.

YouthSpeak forum is a place where youth can interact with people from all walks of life, to inspire and discuss with one another. Our YouthSpeak Forum is arranged to inspire the delegates through power talks and keynote speakers. We want to open the minds of delegates to think differently and spark new innovations.

The theme for this year's forum is LGBT equality (SDG #5 and #10). We always question ourselves: Apart from changing our profile pictures into rainbow flags, what more can youth do for LGBT equality? Are the power of youth so limited? Therefore, we are honoured to have invited few guests who are active and passionate in this field to share their opinions. Through the forum, we aspire to reach several solutions or ways we can contribute for LGBT development in Hong Kong.
