2. Clab Tufting Workshop

16 students participated in the tufting workshop organized by C!ab Design Thinking stream on 30th Jan. Students picked their design and projected it on canvas, then drew the draft to tuft later on. The teacher shared the instruction on tufting gun usage, and safety procedures to ensure the progress is smooth and safe. Students are encouraged to pick the thread of their choice. Firstly, they practiced tufting in straight lines vertically and horizontally, as well as in circles before tufting on their design. Finally, they trimmed out excess parts of the design and iron them into a carpet. They all enjoyed the fun and now the comfort of tufting carpet is available at home!

3. University of British Columbia Vancouver Summer Program (VSP) 2023

The **UBC Vancouver Summer Program (VSP)** is an opportunity for undergraduate students to study at the University of British Columbia in Summer 2023. It is a four-week, academic but non-credit, residential program at UBC. The VSP is not an internship program nor a practicum experience but rather two courses in which, depending on the course package, students may do a number of activities related to their program including attending workshops, doing cases, simulations, or labs or doing site visits.

VSP 2023 offers two four-week programs:

June Session: June 2 – July 2, 2023

Application deadline: February 18, 2023

July Session: July 14 – August 14, 2023

Application deadline: April 1, 2023

Our June – July and July – August sessions will be an in-person program and the [program cost](#) will be \$5,625 CAD per student for 2023. Students will need to arrange their own airfares here and bring additional funds for meals and personal spending such as optional tours.

There are over 70 [course packages](#) in a range of disciplines. Please note not all packages are available in both sessions so please review the 2023 options carefully.

Students can apply [online](#) for this session. The [application requirements](#) for students to apply for our program can be found on our website.

All students receive grades for their course work and class participation. Please note that UBC does not grant credit for the VSP courses and therefore no UBC transcripts are given. We do however issue certificates of completion and grades letters which your home institution may consider giving credit at your discretion. We would be happy to provide the syllabi and sample grades letters to the appropriate office.

This summer, we invite students to experience firsthand why Vancouver is consistently ranked one of the best places in the world to live. While in Vancouver, they will study at North America's most international University and connect with other globally-minded students. We look forward to welcoming students from The Chinese University of Hong Kong again at UBC this summer!
