1. CUHK Orientation Day for Undergraduate Admissions 2015 中文大學本科入學資訊日

The CUHK Orientation Day for Undergraduate Admissions 2015 was held on last Saturday, 24<sup>th</sup> Oct. Thousands of secondary school students, teachers and parents visiting CUHK hoping to get more information about academic programmes and understand more about university life. The booths at the University Mall were at all day flooded with visitors. Our student ambassadors introduced our college's key offers and resources available to these potential Sunnies. College talks were conducted to introduce our college's missions and the latest development. Campus tours led by our student ambassadors were also organized for more than 100 interested visitors to get a glimpse of our student hostels and college facilities. The Creativity Laboratory was also opened with mini-creative workshops held and led by our c!ab students, reinforcing college's commitment in promoting creativity.

2. Diving Talk 潛水體驗分享

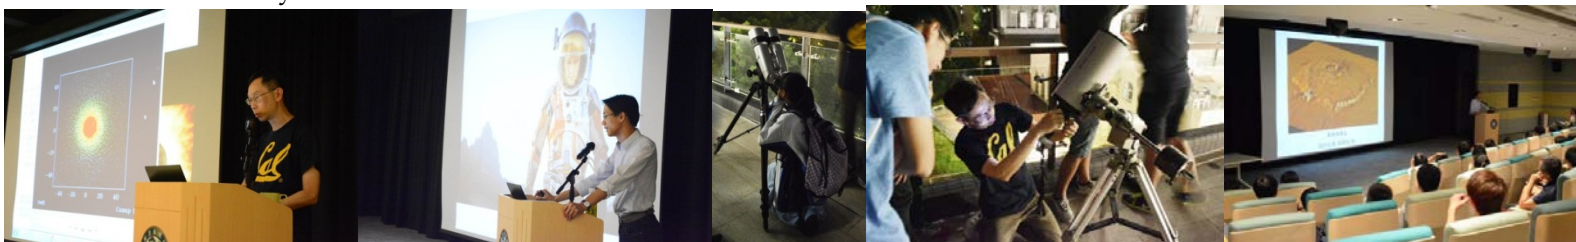

Do you know what the biggest fish in the world is? Have you ever seen the beautiful but deadliest flamboyant octopus? The water world is fascinating, mysterious, and eye-opening! Thanks to Professor Woody LEE (李活雄教授), Senior College Tutor and Chairperson of Sunny Sports Committee for giving an inspiring talk on scuba diving. He shared basic diving knowledge, interesting facts about water world and many impressive diving experiences with students.

3. Exploring Mars 勇闖火星

Photo taken by Professor Chu

Under the clear sky on last Thursday, more than 80 students and staff from our College, other CUHK departments and secondary schools explored Mars and the space through talks on Mars exploration development and stargazing session. Professor Ming-chung Chu (朱明中教授), College member and Professor from Department of Physics, first introduced the importance of moon and space investigation. Dr. Po-kin Leung (梁寶建博士), also College member from Department of Physics, further shared the development of Mars exploration over the past 50 years and upcoming challenges. The participants then joined the stargazing session on the podium and observed the autumn sky and the beautiful moon.

#### 4. College Student Advisor Scheme Gatherings 師生茶聚

Have you met your advisor yet? Some of the groups have made alternative arrangements for the gatherings and met last week. Although it is not easy to gather everyone at the same time, many advisees and advisors have made great effort to meet up. Get to know a new friend is always exciting!

If you want to meet your advisor again, just feel free to drop an email or make a call!

#### 5. Results of Inter-Collegiate Soccer Competition (院際比賽成績)

Soccer Team delivered their best in the Semi-final. Although the team could not further to the Final, the players demonstrated remarkable improvement by bringing the College team into Semi-final for the very first time. Their strong team spirit will surely be passed on and make the team a much stronger one next year.

Our hearty thanks to all the players!
