1. College Photo Day for 2018/19 Graduating Class 2018/19 年度畢業班拍攝日

Graduating Class of 2018/19 gathered on College campus to celebrate their success with friends, family members and teachers at the College Photo Day held on 29th Mar. More than twenty College staff members joined College Master Professor Anthony T.C. Chan (陳德章教授) to share the joy with fellow graduates at this memorable occasion.

We wish to congratulate again all our graduating students for their achievements and express our pride of all the hard work that they had put in to reach this goal!

2. Sunny Yeah 宜嘢依夜 2019

Another year of Sunny Yeah (宜嘢依夜), a student-initiated event encouraging fellow Sunnies to demonstrate their talents and strengthen their bonding, was held from 13th Mar to 26th Mar.

The beautiful voices surrounding the College marked the beginning of the event – **The Singing Contest**. *Rap* was introduced the first time on top of the groups *Individual* and *Band*, adding more diversities to the contest. Shortlisted contestants competed in the Final on 26th Mar with their best efforts. Featuring a variety of music, the night was sometimes filled with soothing tones, sometimes energetic, but all were passionate that deeply moved the crowd.

Students glammed up with their friends for the night of **The Ball** held on 20th Mar. Professor and Mrs. Anthony T.C. Chan (陳德章教授伉儷) led the first dance and invited students to join the dance floor. Throughout the

evening, participants enjoyed performances, dances, tasty bites and drinks and certainly the fun moments with their friends.

The delightful atmosphere and joyful memories created certainly achieved the meanings of the event. Organizing Committee took a step forward to integrate green elements in decoration production, echoing with the College missions. The telephone booth, the phonograph and the globe décors were upcycled from scrap wood, plastic boards and cardboards. Big applause for their tremendous effort in bringing their fellow Sunnies such meaningful moments!

4. Veggie Bouquet DIY Workshop

To celebrate the Photo Day of our graduating students, clabbers organized a creative and environmental-friendly veggie Bouquet DIY workshop on 28th Mar. It was a collaboration with Hong Kong Organic Farm which provided the fresh ingredients for the workshop.

Participants were invited to choose any veggie they like to eat to create their bouquets. Many of them showed the world their unique creation on the College Photo Day, after which the fresh and healthy veggie were pleasantly consumed instead of being thrown away like many other floral bouquets.
