1. c!ab Graffiti Workshop - Spread the Happiness 2022

Ten students joined a graffiti workshop, which was organized by Creativity Laboratory (clab), to learn the graffiti development in USA, write their name or a message in bubble letter format and use wild-style to create their own artworks last Saturday. Throughout the 4-hour workshop, students had a hands-on experience to create their works in graffiti style by spraying and they were planning to design their works themed with HAPPINESS for graffiti wall painting in the future. Let's stay tuned!
