**Deadline: Wednesday, 10 April 2019**

The Internationalisation Faculty Mobility Scheme (Inbound) encourages faculty members from universities and institutions overseas to initiate visits to the Chinese University of Hong Kong (CUHK) for **exploration and development of institutional/faculty/departmental-level collaborations** as well as **collaborative research** with leaders in frontier research in different fields. The scheme allows faculty members to pursue international academic exchanges to strengthen ties with institutions overseas.

The programme supports inbound visiting scholars from overseas universities to undertake short-term research visits of up to seven nights at CUHK. The visiting faculty members may participate in academic activities of exploratory and developmental nature, including but not limited to, developing research collaborations with CUHK faculty members, delivering seminars, and engaging in academic exchanges and meetings with faculty members and students of CUHK.

### **Scope of Support**

Hotel/on-campus accommodation will be provided to the selected inbound visiting faculty members for **up to seven nights**.

### **Eligibility**
