

CUHK Research Data Repository

Application for Data Management Rights

Full-time and fractional teaching and research staff have the rights to manage their own datasets in the faculty/department/unit folder in the CUHK Research Data Repository. Other staff who have the need to manage datasets in the CUHK Research Data Repository may make an application by completing this form. The application should be approved by the Faculty Dean or Department/Unit Head. Completed applications should be sent to data@cuhk.edu.hk.
