KEEP, Elite	<p>The website is designed for classroom flipping of the course In Dialogue with Nature. The basic idea is to have the micro-modules to give further background knowledge to the students in various aspects related to the comprehension of each specific classic text in addition to the corresponding 1-hour lecture. This allows freeing up the 2 hours invaluable face-to-face teacher-student interactive tutorial for deeper discussions and reflections on the core questions and be able to relate them to modern issues and themselves.</p>
