Dear students,

Below please find the special arrangements for the course registration of the following URSP courses in Term 1, 2022-23:

URSP1001 Introduction to Urban Studies

It is a required course for URSP major students and a faculty package course of the Faculty of Social Science. Most seats are reserved for URSP major students, Social Science Broad-based students and Year 1 students from the Faculty of Social Science during the course registration period. The seats will be released to all students during the add/drop period. If you cannot enroll in the course successfully during the course registration period, please enroll on the waitlist first. If there is any vacancy during the add/drop period, waitlisted students will be automatically enrolled in the course according to their waitlist positions.

URSP1004 Foundation of Digital Techniques for Urban Planning and Design

Due to the limited class quota, all seats are reserved for URSP major students during the course registration period. The seats will be released to all students during the add/drop period. If you cannot enroll in the course successfully during the course registration period, please enroll on the waitlist first. If there is any vacancy during the add/drop period, waitlisted students will be automatically enrolled in the course according to their waitlist positions.

URSP3600 Designing Smart Cities

This course requires add/drop consent from the Programme. If you would like to enroll in this course, please submit the hardcopy add/drop form (available for download at RES homepage) either by email (urbanstudies@cuhk.edu.hk) or in person (FYB218, URSP General Office) on or before 18 August 2022.

Thank you for your attention.

Best regards,
