

The Chinese University of Hong Kong
Department of Chemistry
Research Seminar Series

Speaker: Professor Rui Wang
Department of Chemical and Biomolecular
Engineering
University of California, Berkeley
U.S.A.

Title: Classical Challenges in the Physical Chemistry
of Polymer Networks: Topology, Elasticity
and Percolation

Date: November 26, 2018 (Monday)

Time: 2:30 p.m.

Venue: Room G03
Y.C. Liang Hall
