

HKEX Foundation Scholarship for Biotechnology and Innovation 2022/23

Information Sheet

HKEX Foundation Scholarship for Biotechnology and Innovation will be awarded to candidates demonstrating achievement or potential in the area of biotechnology and innovation.

Number and Amount of Award

There will be one non-renewable scholarship of HK\$50,000.

Eligibility

To be eligible, the applicants must:

- be local full-time undergraduate students from the Faculty of Engineering or Faculty of Science;
- be studying a discipline which is related to Science, Engineering, Technology or Bio-Science;
- be pursuing their first degree during the tenure of the Scholarship;
- be within their normative study period when applying for the Scholarship; and
- demonstrate achievement or potential in the area of biotechnology, innovation and creativity.

The scholarship recipient is NOT allowed to concurrently hold other scholarships/awards. If he/she has already received other scholarships or awards in the academic year 2022/23, he/she must relinquish the relevant awards when accepting the HKEX Foundation Scholarship for Biotechnology and Innovation.

Application Procedures

1. Information on the Scholarship and the application form can be downloaded from the website of the Office of Admissions and Financial Aid at <http://admission.cuhk.edu.hk> (Financing Your Studies > Scholarships > Open for Applications).
2. Please read all the application documents carefully and follow the instructions strictly.
3. **Completed application form together with all requisite documents should be submitted to the Faculty of Engineering or Faculty of Science (depending on which Faculty you are affiliated to) on or before 13 February 2023.** Please check with the Faculties concerned for the submission method. Late or incomplete applications will not be considered. *Please refer to the Notes for Applicants attached to the application form for the requisite documents to be submitted by the applicants.*
4. The University Selection Panel will shortlist suitable candidates for final selection by the donor.
5. The awardee will be selected by the donor through an interview.
6. The decisions of the University Selection Panel and the donor are final and not subject to review, and the reasons for shortlisting, nominating, granting or refusing to offer an award will not be given.
