

## Online Clinical Case Discussion 2021

Jointly organized by CUHK, KU, LMU, MU & NU

The online clinical case discussion was a part of the TEI project and this program was initiated by **Nagoya University** in 2020. Students from The Chinese University of Hong Kong, Korea University, Ludwig Maximilian University of Munich, Monash University and Nagoya University were invited to join the program.

---

### OBJECTIVES

- Give medical students from GAME partner universities the opportunities to meet and exchange experiences through virtual platform
- Review medical topics through clinical case discussion
- Give medical students information about the medical insurance system in each country/city

### PROGRAM FORMAT

THEME: Let's get to know the health system on different countries through a clinical case: how the health insurance works, which access can you have?  
DATE: 25 May 2021 to 19 June 2021 (Every Tuesday)  
TIME: 6pm – 8pm (GMT+9)  
LANGUAGE: English  
PLATFORM: Zoom

### ELIGIBILITY

- Medical students of senior years
- Motivated students as students will be the one presenting the clinical case under the mentorship of respective professors

### PROGRAM SYLLABUS (SUBJECT TO CHANGE)

Date	Topic	Lead Institution
25 May 2021	Welcome and Introduction	Nagoya University
