

Installation of BMJ Best Practice App

1. Access the [BMJ Best Practice](#) on campus or remotely through Easy Access if off-campus.
2. Register for a personal account. If you have done that before, you can use the registered account to login in the mobile app.

3. After successful registration, log out and re-log in again. This allows remote roaming to be activated.

4. Install the Best Practice App at [Apple Store](#) or [Google Play](#) on your mobile device.
5. Open the app and log in with your registered account.
6. After successful log in, download the topics.
