

BME Graduate award the Highest S.H. Ho Eminent College Award

Our BME fresh UG graduate, Justin Tsang Chung Yin, has been selected and awarded the **S.H. HO Eminent Award** 「文行忠信傑出獎」. It is the highest S.H. Ho Eminent College Scholarship to recognize students' excellent performance, including outstanding achievements in academic study, personal development and contribution to the life of the college. Thanks S.H. Ho College for selecting our BME student! And congratulations to Justin!

Justin received the award on stage in the College's graduation ceremony.

Justin represented all 2022 graduates of SHHO to give a speech in the College's graduation ceremony.

"I am so honoured to be awarded with the S. H. Ho College Eminent Award. I would like to express my gratitude to Prof. Tong and the BME Department, for creating such a lovely atmosphere for learning and research. I would also like to thank Prof. Beyer, who was my supervisor for 2 years of undergraduate research, for always inspiring and leading me in research. Finally, I would like to thank Prof. Anthony So, Prof. Jonathan Choi and Prof. Megan Ho for leading me in the ASM Technology Competition, and providing support during my research. I have learnt a lot from all the Professors in BME and without them, I would not have received this award."
