教育核心科目規定
Educational Core Component Requirements

本院五年全日制本科生必須完成教育核心科目規定，方可畢業。有關內容包括：（1）教育學院學院課程，提供基礎教育知識、理論及教學技巧，並透過研習主修學科指定的科目，讓學生對其主修學科有更概括的了解。（2）教育研習科，教授與課堂有較直接關係的課題；（3）教學實習，為學員提供實地研習機會。

All 5-year full-time students of the Faculty must fulfill the Educational Core Component Requirements for graduation. These requirements include: (1) Education Faculty Package courses which provide students with basic knowledge, theories and skills in education. Students can also gain general knowledge within a specialty by taking specified course required by respective Major Programme. (2) Educational Studies courses which provide students with contents of more immediate relevance to the classroom; (3) Teaching Practice courses which provide students with the opportunity of practical field experience.
