This is a five-year full-time programme (for HKDSE entrants) offered by the Faculty of Education, in collaboration with the Department of Mathematics. It aims to nurture professional teachers of mathematics who are both well versed in the subject of mathematics and professionally competent in mathematics education. Upon successful completion of the programme, graduates will be awarded a Bachelor of Education degree with a double major in Mathematics and Mathematics Education including a qualification equivalent to a Postgraduate Diploma in Education. Graduates will be qualified to teach in primary and secondary schools (applicable to students admitted from 2012-13 to 2015-16) or secondary schools (applicable to students admitted in 2016-17 and thereafter).

Please refer to the CUHK Undergraduate Student Handbook (<http://www.cuhk.edu.hk/aqs>) or programme website for the study scheme, course list and course descriptions.
