

About the Huawei ICT Competition

The Huawei ICT Competition is a competitive ICT talent exchange event developed by Huawei for global college students, to promote the healthy development of the ICT talent ecosystem and support the integration of industry and education. Huawei held its first ICT Competition in Hong Kong last year; this year's is the second. The winning team will represent Hong Kong at the Huawei ICT Competition Asia Pacific, where they will compete with other top teams from the Asia-Pacific region. If the team win again, they will join the global finals.
