今天我要講的傳統節日是皇帝的節日。人們通常在一月六日的時候慶祝，或者在每年的第一個星期一慶祝。在這個節日，人們會慶祝三個帶給耶穌禮物的人。這個節日通常是在法國慶祝的。大家會準備一個類似蛋糕的東西。在蛋糕裡面，人們會放一顆蠶豆，或者現在人們會放一個塑膠的玩具。大家會把蛋糕切開，然後分給每一個人。誰在自己的那一份蛋糕裡面找到蠶豆或者玩具，他就會成為這一天的皇上或皇后。這個人擁有皇冠之後，他有權選擇另外一個人同樣獲得皇冠。

The holiday I'm going to talk about is the Kings Day. People usually celebrate it on January 6th, or on the first Monday of a year. It's the day the Three Kings are said to have presented their gifts to Jesus. The holiday is usually celebrated in France. People have something like a cake. Inside the cake, people would put a broad bean, or nowadays people would put a plastic toy. They cut the cake into pieces and give it to everyone. Whoever receives the little favor is then crowned king/queen for the day. After this person has the crown, he/she has the right to choose another person to also have the crown.
