CUHK records with deep sadness the passing of Prof. Ka-sing Lau, former Chairman & Professor of Mathematics at the Faculty of Science, on 13 October 2021. His devotion to education and research earned him profound respect among his peers, colleagues and students, and promoted the academic development of the University. In memory of Prof. Lau, we set up a scholarship to honour Professor Lau's academic achievements and to support our graduate students with studies in fractal geometry and related areas. You are cordially invited to support 'Professor Ka-sing Lau Scholarship for Mathematics'.
