

Student Summer Workshop, 19-21 July 2016

The **Graduate Division of Earth and Atmospheric Sciences (EASC)** at the Chinese University of Hong Kong (CUHK) is the only interdisciplinary programme in the region that focuses on critical facets of the basic and applied sciences of the geosphere, atmosphere, hydrosphere, biosphere, and the interactions between them. Research interests of its dynamic faculty span the whole spectrum of Earth system science. The new graduate programme aims to educate and mentor outstanding young scientists for careers in academic, government, and the private sector.

This **Student Summer Workshop organized by the EASC** is open to all potential applicants to our PhD programme, to be admitted in Fall 2017. We welcome undergraduate students in their 3rd / final year of study or master students to apply. 20 students will be invited to the workshop, to be held on the science campus of CUHK. Every workshop participant will be interviewed for the PhD admission. *The first batch of PhD offers will be made shortly after the workshop.*

The **Hong Kong PhD Fellowship Scheme (HKPFS)** aims at attracting the best and brightest students from all over the world to pursue their PhD studies in Hong Kong. The Fellowship provides

- monthly stipend of HK\$20,000
- conference travel allowance of HK\$10,000 per year

We strongly encourage applicants who are seeking admission to our full-time PhD programmes to apply through the HKPFS. Applicants should demonstrate academic excellence, research ability and potential, communication and interpersonal skills, and leadership abilities.
