4. 'Power Your Love' 中電全城過電計劃 - 慳電傳關愛!

CUHK is supporting the 'Power Your Love' Programme recently launched by CLP. Residential customers who join this programme can 'transfer' the amount of electricity they save each day to people in need! We encourage all students, staff and alumni to join this meaningful programme.

'Transfer Electricity'

If the participating customer's energy usage during Energy Saving Period (i.e. 1st Jun to 31st Jul) is lower than the consumption in the same period in 2014, CLP will donate every kWh saved to the needy.

'Donate Money'

Besides 'transferring' saved electricity, all customers and non-customers are also welcome to support the programme by making donations. CLP will match every dollar donated with shareholders' money. The fund raised will then be used to subsidize the electricity bills of the needy. CLP shareholders will donate a maximum of HK\$6 million to the programme, which will benefit approximately 20,000 needy people.

Registration

Register for the programme by completing the e-form (*deadline: 20th Jul*):

You may enter 'CUHK2015' as the special code to identify CUHK as your referrer.

- Successfully refer the highest number of friends or relatives to take part; and
