## Sunny Review 上周回顧

### 1. Continue to Sow Love: 愛心傳四川

It is the third year that our College students carried out Service-Learning program in Enting Elementary School (恩庭小學) in Sichuan (四川)! Collaborating with University of Electronic Science and Technology of China (電子科技大學) and guided by Dr. Jose S.H. Lai (賴陳秀卿), College Fellow and Director of ELTU, Mr. Wai-hung Tang (鄧惠雄), Senior College Tutor and Director of College Service-Learning Programme, Ms. Lindsey S. Gruber, College Member and Lecturer of ELTU, and Ms. Miranda K.Y. Lee (李軾怡), College Member and Assistant Lecturer of ELTU, the participants taught primary students English and built an English Corner for them.

With the kind support of Chow Tai Fook Charity Foundation (周大福慈善基金), the English Corner set up in the School is equipped with computers, audio-visual software, books and colorful decorations. 93 of the books placed in the English Corner were collected at the College before the start of the journey and brought to Sichuan by our College students. The students also paid a visit to a center for young students with autism in Chengdu (成都).

### 2. Cultural Exchange in Xi'an 文化交流在西安

The one-week Summer Cultural Exchange Programme at Xi'an Jiaotong University (西安交通大學暑期文化交流計劃) was too short for the eight Sunnies to go through Xi'an's history of over a thousand years but long enough for them to develop friendship with their counterparts from Chung Ying College of Xi'an Jiaotong University (西安交通大學仲英書院). Thanks for the arrangement of Chung Ying College, our Sunnies, led by Mr. Nelson K.T. Lam (林國棠), College Member and Assistant Lecturer of Physical Education Unit, understood ancient Xi'an through cultural exploration including museum visit, talks and demonstrations. The most exciting part for the Sunnies was when they put on traditional Chinese custom. The program became even more meaningful when the participants from the two colleges entered a local primary school to teach voluntarily.

### 3. Summer Visit from Partner Universities 暑期互訪交流

Over 40 teachers and students from Chungying College of Xi'an Jiaotong University (西安交通大學仲英書院), Kuang Yaming Honors School of Nanjing University (南京大學匡亞明學院), University of Electronic Science and Technology of China (電子科技大學) and Zhide College of Fudan University (復旦大學志德書院) visited our College and had a one-week exchange activities with our 10 College students from 29<sup>th</sup> Jul to 4<sup>th</sup> Aug.

Warmly welcomed by our College Master, Professor Rance P.L. Lee (李沛良) and other College Members, the four Universities gifted us their College tee shirts which symbolize our long-lasting friendship. In line with the programme theme "Social responsibility of young people", the delegation attended a talk given by Hong Kong Equal Opportunities Commission (香港平等機會委員會), toured the Legislative Council Complex (立法會綜合大樓), Fok Ying Tung Remote Sensing Science Building (霍英東遙感科學館) and Jockey Club Museum of Climate Change (賽馬會氣候變化博物館). Highlights of the programme was the social service day in respective social enterprises and service centers which allowed participants to interact with children from low-income families, the elderly and people with mentally disabilities.

### 4. Delegation from Zhejiang University 浙江大學訪問本院

24 delegates from Zhejiang University (浙江大學) visited our college on 4th Aug. Ms. Sandy P.S. Lee (李珮珊), College Secretary, introduced CUHK's unique college system as well as our College's characteristics and core programmes. The participants from various units of Zhejiang University were particularly interested in the areas related to donation, exchange and creativity programmes. The talk was followed by a campus tour to the hostel floors and some other key college facilities.
