Sunny Review 上周回顧

1. 揭開北方神秘面紗: Moonlet x Harbin x Russia Exploration

Received by Harbin Institute of Technology (哈爾濱工業大學), ten Sunnies who were led by Professor Terrence S.T. Mak (麥穗冬), College Member and Assistant Professor from Department of Computer Science & Engineering, participated in The 9th "Moonlet" Programme - Sino-Russian Cultural Exploration (小衛星學者計劃—中俄友誼之旅) in Harbin and Russia, together with over two hundred students from different universities.

During this ten-day programme, participating students attended talks on the advanced development and technology of Moonlet, visited the Flood Control Monument (防洪紀念塔), Central Avenue (中央大街) and C-56USS Pampanito Museum (功勳潛水艇博物館) to learn about the history of northern China and Russia. They also had constant exchange with local students. Crossing the boundary by train, they realised the cultural differences between China and Russia. Interaction with students from Far Eastern Federal University (俄羅斯遠東聯邦大學) and sight-seeing in the Russian coastal cities helped our students gain a better understanding of Russian society. It was surely an unforgettable experience for the students!

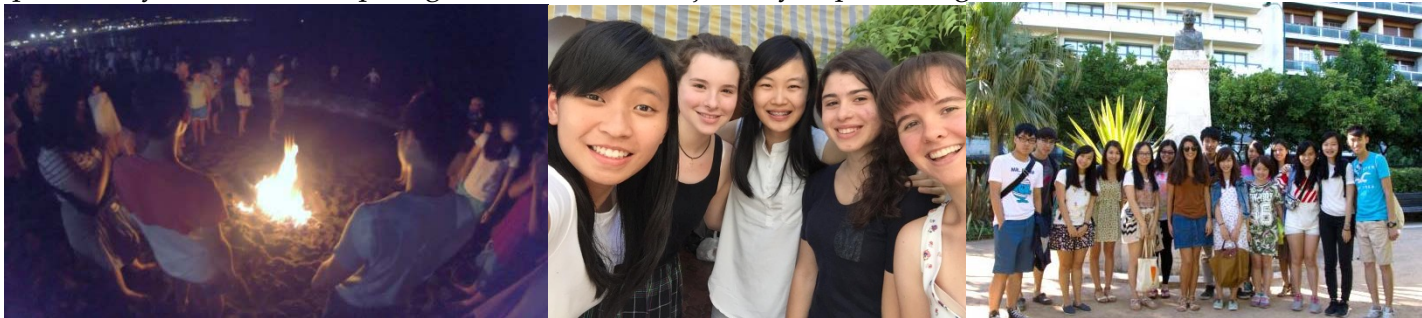

2. El tour en *España*: 西班牙語文及文化團

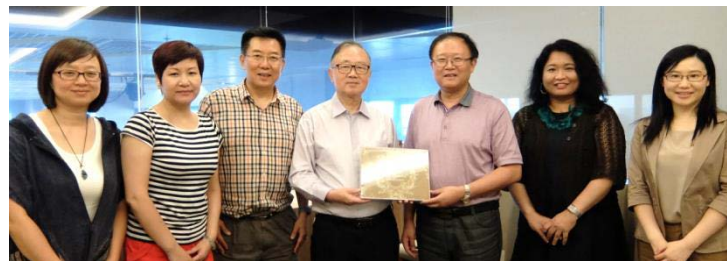

The first ever Spanish Language and Cultural Tour (西班牙語文及文化團) has brought a fabulous summer to fifteen College students. With guidance and support from Miss Maria Consuelo Vega Leon, College Member and Assistant Lecturer of Department of Linguistics and Modern Languages, all participants had a first-hand taste of Spanish lifestyle in June.

The everyday Spanish language course equipped students for daily communication with local people. Living with host families enabled and encouraged them to utilise what they learnt in class and polished their speaking skills. The group paid a visit to Palaces in Granada and Malaga and experienced the rituals of Festival of San Juan. These two weeks had been memorable as the participants have overcome cultural shock and managed to live with a foreign family with a lot of uncertainties and surprises. The journey was more than just language proficiency and cultural capital gained. It was also a journey of personal growth.

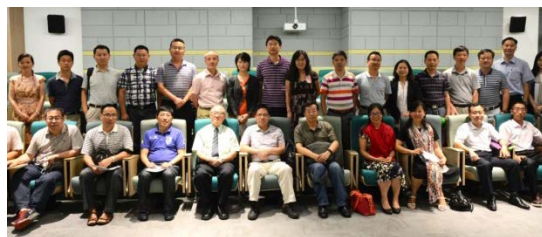

3. Delegation from Shanghai: 專業研習計劃支持者書院之行

Delegates from Shanghai Xuhui Overseas Chinese Friendship Association (上海市徐匯海外聯誼會), supporters of Professional Learning Scheme in Shanghai (上海專業研習計劃), visited our College on 30th Jun. Professor Rance P.L. Lee (李沛良), our College Master, Professor Annisa C.H. Lee (李賴俊卿), College Dean of Students, Professor Kam-fai Wong (黃錦輝), Chairman of College Personal Growth and College Life Committee, and Ms. Sandy P.S. Lee (李珮珊), College Secretary, led the delegates to a campus tour and introduced College development.

4. Delegation from Guangzhou: 華南師範大學行政人員訪問本院

A group of 25 delegates from South China Normal University (華南師範大學) visited our campus on Tuesday, 7th Jul. Professor Rance P.L. Lee (李沛良), College Master, and Ms. Sandy P.S. Lee (李珮珊), College Secretary, received the group and introduced the uniqueness of CUHK's collegiate system as well as our College's mission and programmes offered to our students. The talk was ended with a campus tour and the delegates were impressed by the different facilities provided to the students.

1. Hostel Fee for the year 2015/16 2015/16 年度宿費

It has been announced in the College's statement sent to students on 29th Apr that the hostel fee for the academic year 2015-16 will be adjusted according to the composite inflation rate of 5.19%, and that owing to a one-time subsidy of HK\$500 per bed from the University, a concessionary hostel fee will be charged in the academic year. The College Student Hostels Committee and the Assembly of Fellows, after noting the result of the student survey, confirmed that the discrepancy of HK\$66 between the nominal 5.19% adjustment and the university subsidy would be borne by the residents of 2015/16. In other words, the actual amount to be paid by each resident is HK\$10,958 (HK\$5,479 per term).

2. News of College Member 書院成員消息

Mr. Park-lai Choi (蔡伯勵), College Honorary Advisor (Community Service), was awarded the Gold Bauhinia Star (金紫荊星章) for his significant contributions to the preservation and transmission of traditional Chinese Almanac (通勝), which has been included as an item in the first intangible cultural heritage inventory of Hong Kong. Mr. Choi is a leading traditional Chinese Almanac expert. His knowledge and authority on editing and compiling the Chinese Almanac has played a pivotal role in preserving this cultural heritage.
