# 時政新聞接觸與政治參與 ——對大學生及其父母的代群比較研究

劉毅、郝曉鳴

## 摘要

本文通過對209位大學生及其父母的問卷調查來探討時政新聞接觸、內在政治效能感、政治認同與公民政治參與的關係。研究結果發現：對子代群體而言，時政新聞接觸分別與內在政治效能感、政治認同和政治參與正相關；內在政治效能感與政治參與正相關，但與政治認同不存在顯著相關關係；政治認同與政治參與不存在顯著相關關係。對父代群體而言，時政新聞接觸與內在政治效能感和政治認同均呈正相關關係，但與政治參與不存在顯著相關關係；內在政治效能感分別與政治認同和政治參與正相關；政治認同與政治參與不存在顯著相關關係。研究還發現，無論是對子代群體還是對父代群體而言，時政新聞接觸對他們的政治參與均具有顯著的間接效應。

關鍵詞：時政新聞接觸、內在政治效能感、政治認同、政治參與

## **Consumption of Political News and Political Participation: A Comparative Study of College Students and Their Parents**

Yi LIU, Xiaoming HAO

---

### **Abstract**

Through a questionnaire survey of 209 college students and their parents, this study examined the relationships among political news consumption, internal political efficacy, endorsement of political system and political participation. The findings show that for the children, political news consumption is positively related to internal political efficacy, endorsement of the political system and political participation. Internal political efficacy is positively related to political participation, but not significantly related to endorsement of the political system, and endorsement of the political system is not significantly related to political participation. For the parents, political news consumption is positively correlated with internal political efficacy and endorsement of the political system, but not significantly related to political participation. Internal political efficacy is positively related to endorsement of the political system and political participation, while endorsement of the
