

CURRICULUM VITAE

Dr C M Chu, M.H.

MD (HK), MSc (Respirat Med) (Lond), FRCP (Lond, Edin, Glasg), FCCP, FHKAM (Med), FHKCP, Dip Epidemiology & Biostatistics, PDipID, Specialist in Respiratory Medicine

- 1 Personal Information
- 2 Qualifications, Awards & Honours
- 3 Positions held
- 4 Service Innovations and Accomplishments
- 5 Previous Appointments and Affiliations
- 6 Original Publications and Lectures
 - Book Chapter and Thesis
 - Full papers
- 7 Referees

1 Personal Information

Name	Chung-Ming CHU
Religion	Christianity (Baptist)
Correspondence	Department of Medicine & Geriatrics United Christian Hospital Hong Kong
Email	drcmchu@gmail.com

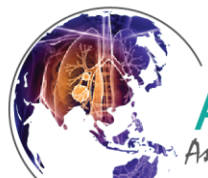

2 Professional Qualifications

Qualifications

Bachelor of Medicine and Bachelor of Surgery (HK)	1987
Member of the Royal College of Physicians (UK)	1992
Fellow of the Hong Kong College of Physicians (HK)	1995
Fellow of the Hong Kong Academy of Medicine (HK)	1995
Master of Science in Respiratory Medicine (University of London)	1996
Diploma in Respiratory Medicine (University of London, UK)	1997
Registered Specialist in Respiratory Medicine (HK)	1998
Diploma in Epidemiology and Applied Statistics (HK)	1998
Fellow of the American College of Chest Physicians (USA)	2000
Postgraduate Diploma in Infectious Diseases (HK)	2002
Fellow of the Royal College of Physicians (Edinburgh)	2003
Fellow of the Royal College of Physicians (Glasgow)	2003
Fellow of the Royal College of Physicians (London)	2004
Doctor of Medicine (The University of Hong Kong) (Gold Medal)	2005

Awards and Honours

Wong Chi Yee Medical Scholarship (HK)	1986
Distinction, MSc in Respiratory Medicine (University of London, UK)	1996
Medal of Honour, Government of the Hong Kong SAR	2004
Sir Patrick Manson Gold Medal for Outstanding MD Thesis, University of Hong Kong	2005
Outstanding Team Award, Hospital Authority	2006

3 Positions Held

Position	Duration
Governor American College of Chest Physicians (HK & Macau Chapter)	2009 - 2013
Visiting Consultant, Lane Fox Respiratory Unit, St. Thomas's Hospital, London, United Kingdom	2013
Chief of Service, Department of Medicine & Geriatrics, United Christian Hospital	2009-2011
Consultant, Department of Medicine & Geriatrics, United Christian Hospital	From 2007
President American College of Chest Physicians (HK & Macau Chapter)	2007 - 2009
Regional Programme Director, Specialty Board in Respiratory Medicine, Hong Kong College of Physicians	From 2007
Honorary Associate Professor, Department of Microbiology, University of Hong Kong	From 2006
Expert delegate to the Thai Government on Avian Influenza Hong Kong Government	2004
Member, WHO Consultancy Group on Vietnam's Avian Influenza cases, World Health Organisation	2004
Expert panel, HA SARS Collaborative Group, Hospital Authority	From 2003
Reviewer of British Medical Journal, Critical Care Medicine, Chest, Clinical Infectious Diseases, Respirology, Journal of Infectious Diseases	From 2003
Member, Hospital Ethics Committee, United Christian Hospital	From 2002
Executive Board Member, Hong Kong Lung Foundation	From 2001

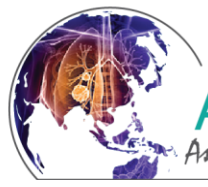

4 Service Innovations and Accomplishments

Services/Accomplishments	Period
Pioneer a home ventilation service in United Christian Hospital Currently UCH is the only listed hospital on the International Ventilators' Network in Hong Kong	Since 1996
Setting up of comprehensive integrated cardio-pulmonary exercise testing (CPEXT) in United Christian Hospital	Since 1996
Setting up of acute non-invasive positive pressure ventilation service in United Christian Hospital	Since 1996
Setting up of comprehensive atopy testing and bronchial challenge test for asthma in United Christian Hospital	Since 1996
Introduce bronchial arterial embolisation for patients with life-threatening haemoptysis in United Christian Hospital in collaboration with the Department of Radiology	Since 1997
Pioneer a nurse-led community rehabilitation programme for COPD	Since 2000
Pioneer an early supported discharge programme for COPD with community nurses	Since 2002
Led 4 adult SARS wards in the fight against SARS; admitted and treated > 150 suspected/confirmed SARS patients	2003
Set up an integrated post-SARS clinic in United Christian Hospital	Since 2003
Writing committee of randomised trials. HA SARS Collaborative Group, Hospital Authority	Since 2003
Represent HKSAR to serve as member in the WHO Consultancy Group on Vietnam's Avian Influenza cases	2004
Represent HKSAR as expert delegate to the Thai Government on Avian Influenza	2004
Writing committee of randomised trials. HA Influenza Collaborative Group, Hospital Authority	Since 2005
Led 'Extra-Miles Movement' with Dr W L Ng in United Christian Hospital to tackle winter surge of patient load	2005
Introduce Electromagnetic Navigation Bronchoscopy to Hong Kong, and pioneer its use in Hong Kong	Since 2014

5 Previous Appointments and Affiliations

Institution	Position	Period
Queen Mary Hospital and United Christian Hospital	Medical Officer	07.1988 - 08.1994
	Acting Senior Medical Officer in Nephrology, in charge of a dialysis unit	1991
Department of Medicine and Geriatrics, United Christian Hospital	Senior Medical Officer	08.1994 - 2007
Faculty of Medicine, University of Hong Kong	Honorary Clinical Assistant Professor	11.1999 - 12.2001
Department of Medicine and Therapeutics, Chinese University of Hong Kong	Adjunct Assistant Professor	10.1997 - 12.2001
Division of Respiratory Medicine, Department of Medicine and Geriatrics, United Christian Hospital, Hong Kong	Division Head and Training Programme Director	01.2000 - Now
Department of Microbiology, University of Hong Kong	Honorary Associate Professor	2006 - Now
Department of Medicine and Geriatrics, United Christian Hospital, Hong Kong	Consultant	2007 - Now
Department of Medicine and Geriatrics, United Christian Hospital, Hong Kong	Chief of Service	1.2009 – 12.2011
Royal College of Physicians (UK)	Examiner for MRCP PACES examination	2015 -

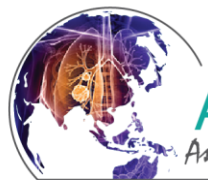

6 List of Publications & Lectures

Book Chapter and Thesis

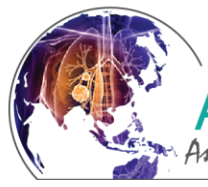

1. Lun CT, Chu CM. NIV withdrawal methodology after hypercapnic respiratory failure. In: **Noninvasive Mechanical Ventilation and Difficult Weaning in Critical Care**. Editor: Antonio M. Esquinas. Springer 2016.
 2. Chu CM. Cardiopulmonary Exercise Testing with Gas Exchange Measurement - theory, practice & clinical applications. **MSc thesis** (1996), University of London, UK. (*Distinction*)
 3. Chu CM. Clinical Aspects of Severe Acute Respiratory Syndrome (SARS). **MD thesis** (2005), University of Hong Kong. (*Sir Patrick Manson Gold Medal for outstanding MD thesis*)
 4. Chu CM, Chan VL. Non-invasive ventilation: from hospital to home. In: **Yearbook of Noninvasive Mechanical Ventilation 2008**. International Association of Noninvasive Mechanical Ventilation.
