

## CURRICULUM VITAE

*William S. Krimsky, MD*

### Current Appointments

Director – Center for Interventional Pulmonology, MedStar Franklin Square Hospital Medical Center and Director of Interventional Pulmonology, Pulmonary and Critical Care Associates of Baltimore. Baltimore, MD

Director and Chair - Critical Care, Specialists On Call  
Reston, VA

### CURRENT EMPLOYMENT

WORK ADDRESS Pulmonary and Critical Care Associates of Baltimore  
9103 Franklin Square Drive  
Suite 300  
Baltimore, MD 21237

WORK TELEPHONE (443) 777-7737 or (443)777-2467  
WORK FAX (443) 777-7738 or (443)777-2309

E-MAIL: [wkrimsky@gmail.com](mailto:wkrimsky@gmail.com)

### EDUCATION AND TRAINING

#### Undergraduate

Middlebury College  
Middlebury, VT – B.A. in American Literature 1990

University of Pennsylvania  
Philadelphia, PA – Post Baccalaureate Pre Med 1992

#### Doctoral/graduate

University of Pittsburgh School of Medicine  
Pittsburgh, PA - M.D. 1997

Dartmouth College  
Center for the Evaluation of Clinical Sciences  
Hanover, NH

**William Krimsky, M.D.**

**CV**

## Postdoctoral

Intern – Department of Medicine Mercy Hospital, Pittsburgh, PA	1997 - 1998
Medical Resident, Johns Hopkins University, Sinai Hospital Baltimore, MD	1998 - 2000
Chief Medical Resident, Johns Hopkins University, Sinai Hospital, Baltimore, MD	2000 - 2001
Fellow, Pulmonary and Critical Care Medicine Dartmouth-Hitchcock Medical Center, Lebanon, NH	2001 - 2004
Visiting Fellow, Interventional Pulmonology Hospital of the University of Pennsylvania, Philadelphia, PA	2003 - 2004

## PROFESSIONAL LICENSURE

Maryland, September 2000 (D#55107)

Louisiana, November 2014 (MD.207510)

## BOARD CERTIFICATION

- Diplomate, American Board of Internal Medicine – Internal Medicine
- Diplomate, American Board of Internal Medicine – Certification in Pulmonary Disease
- Diplomate, American Board of Internal Medicine – Certification in Critical Care Medicine
- Special Certification, Interventional Pulmonary Medicine – American Association of Bronchoscopy and Interventional Pulmonology

## PROFESSIONAL EXPERIENCE

Consultant Medical Director – Clinical Interventions and Systems Improvements The Delmarva Foundation for Medical Care Easton, MD	2004 - 2007
Collaborative Chairman – Mid-Atlantic region Care First and Delmarva 100K Lives and Beyond Campaign Hanover, MD.	2005 - 2007

## William Krimsky, M.D. CV

Chair and Faculty, Maryland Patient Safety Center	2005 - 2007
---	-------------

ICU Collaborative  
Maryland Patient Safety Center.  
Elkridge, MD

## Academic Appointments

### Johns Hopkins University/Johns Hopkins Hospital, Baltimore, MD

- Assistant Professor of Medicine – Part Time, Dept of Med 2005 – 2007

### Dartmouth Hitchcock Medical Center, Hanover, NH

- Instructor in Medicine 2001 – 2004
- Chair, Critical Care Quality Improvement Workgroup 2002 – 2004

### Johns Hopkins University/Sinai Hospital of Baltimore, Baltimore, MD

- Chief Resident in Medicine, Department of Medicine 2000 - 2001

## Hospital Appointments

Faculty and Staff Physician, Franklin Square Hospital Center 2005 – present  
Baltimore, MD

Staff Physician, Sinai Hospital of Baltimore 2004 – 2007  
Baltimore, MD

Staff Physician, Northwest Medical Center 2004 – 2005  
Baltimore, MD

Staff Physician, St. Joseph's Hospital, 1999 – 2001  
Towson, MD

Staff Physician, James Lawrence Kernan Hospital 1999 – 2001  
Baltimore, MD

## RESEARCH ACTIVITIES

### Publications

#### ***Peer-Reviewed Scientific Articles***

- Thoracoscopic detection of occult indeterminate pulmonary nodules using bronchoscopic pleural dye marking.  
Krimsky WS, Minnich DJ, Cattaneo SM, Sarkar SA, Harley DP, Finley DJ, Browning RF, Parrish SC.  
J Community Hosp Intern Med Perspect. 2014 Feb 17;4

**William Krimsky, M.D.**  
**CV**

- [Safety of pacemakers and defibrillators in electromagnetic navigation bronchoscopy.](#)

Khan AY, Berkowitz D, **Krimsky** WS, Hogarth DK, Parks C, Bechara R.  
Chest. 2013 Jan;143(1):75-81.

- Peripheral pulmonary nodules and electromagnetic navigational bronchoscopy: what is the value of fluoroscopy and general anesthesia?  
Sarkar S, **Krimsky** W.  
J Bronchology Interv Pulmonol. 2012 Apr;19(2):86-7.
- Teflon Hemoptysis  
Aboudara M, Krimsky W, Harley D: BMJ Case Reports,  
2012;March1136
- Novel Approaches to the Patient with Massive Hemoptysis  
Parish S, Krimsky WS, Browning R, Alabrash M.  
J of Community Hospital Internal Medical Perspectives. 2012;2:14784
- Airway Spray Cryotherapy: Initial Outcomes From a Multiinstitutional Registry.  
Finley DJ, Dycoco J, Sarkar S, Krimsky WS, Sherwood JT, Dekeraty D, Downie G, Atwood J, Fernando HC, Rusch VW.  
Am Thorac Surg. 2012; July (94): 199-203
- Optimization of mediastinal staging in potential candidates for stereotactic radiosurgery of the chest.  
Sarwate D, Sarkar S, Krimsky WS, Burgan CM, Patel K, Evans R, Harley DP.  
J Thorac Cardiovasc Surg. 2012 Apr 10.
- Endoscopic therapies and stents for benign airway disorders: where are we, and where are we heading?  
Fernando HC, Sherwood JT, Krimsky W  
Ann Thorac Surg. 2010 Jun;89(6):S2183-7.
- Fiducial marker placement using endobronchial ultrasound and navigational bronchoscopy for stereotactic radiosurgery: an alternative strategy.  
Harley DP, Krimsky WS, Sarkar S, Highfield D, Aygun C, Gurses B.  
Ann Thorac Surg. 2010 Feb;89(2):368-73; discussion 373-4.
- Spray cryotherapy for the treatment of glottis and subglottic stenosis.  
Krimsky WS, Rodrigues MP, Malayaman N, Sarkar S.  
Laryngoscope. 2010 Mar;120(3): 473-7.
- Response to spray cryotherapy in a patient with adenocarcinoma in the parietal pleura.  
Downie G, Krimsky W.  
Respiration. 2010;80(1):73-7. Epub 2009 Dec 23.

**William Krimsky, M.D.**  
**CV**

- A model for increasing patient safety in the intensive care unit: increasing the implementation rates of proven safety measures.  
Krimsky WS, Mroz IB, Mcllwaine JK, Surgenor SD, Christian D, Corwin HL, Houston D, Robison C, Malayaman N.  
Qual Self Health Care. 2009 Feb;18(1):74-80.

- Bronchoscopic spray cryotherapy: assessment of safety and depth of airway injury.  
Krimsky WS, Broussard JN, Sarkar S, Harley DP.  
J Thorac Cardiovasc Surg. 2010 Marh;139(3):781-2. Epub 2009 Aug 6.
- Bronchogenic cyst treated by endobronchial ultrasound drainage.  
Dhand S, Krimsky W.  
BMJ Case Rep. 2009;2009:bcr2007078071. Epub 2009 Feb 16.
- Pulmonary talc granulomatosis mimicking malignant disease 30 years after last exposure: a case report.  
Krimsky WS, Dhand S.  
J Med Case Reports. 2008 Jul 3;2:225.
- Bronchogenic cyst treated by endobronchial ultrasound drainage.  
Dhand S, Krimsky W.  
Thorax. 2009 Apr;63(4):386. No abstract available.
- Endobronchial ultrasound: Current applications and future directions.  
Krimsky W, Sarkar S, Kurimoto N, Musani A:  
Journal of Bronchology 2007; 14(1):63-69
- Transbronchial needle injection: a systematic review of a new diagnostic and therapeutic paradigm.  
Seymour CW, Krimsky WS, Sager J, Krukltis RJ, Lund ME, Musani AL, Sterman DH.  
Respiration. 2006;73(1):78-89.
- Topical use of Mitomycin C for Recurrent Tracheal Stenosis.  
Krimsky WS, Sharief U, Machuzak M, et al:  
Journal of Bronchology 2006;13:141-143
- Rapid Response Teams: Early Lessons.  
Krimsky W:  
AHRQ, M and M 10:2005
- Physiology of breathing and respiratory control during sleep.  
Krimsky W, Leiter JC.  
Semin Respir Crit Care Med. 2005 Feb;26(1):5-12. Review.

**William Krimsky, M.D.**  
**CV**

- Curative resection of endobronchial fibroma with flexible bronchoscopy and electrocautery.  
Seymour C, Litzky L, Krimsky W:  
Journal of Bronchology 2005;12:48-49
- Update: epidemiology of cystic fibrosis.  
Krimsky WS, Parker HW.  
Curr Opin Pulm Med. 2002 Nov;9(5):552-3. Review.
- Cryptic pituitary hemorrhage presenting with headache.

Krimsky W, Weiss H.  
Headache. 2002 Apr;52(4):291-3.

- Oncologic emergencies for the internist.  
Krimsky WS, Behrens RJ, Kerkvliet GJ.  
Cleve Clin J Med. 2002 Mar;69(3):209-10, 213-4, 216-7 passim. Review.
- The pitfalls of transthoracic echocardiography. A case of eustachian valve endocarditis.  
Bower J, Krimsky W, Gradon JD.  
Tex Heart Inst J. 2001;28(1):57-9.

### **Extramural Sponsorship**

#### **Grants**

- Unrestricted Educational Grant, Olympus Co.: New Technologies in Interventional Pulmonology: 2006 to 2009
- Improving the implementation rates of evidence based interventions in the intensive care unit, December 2002, Quality Research Grant Program

### **EDUCATIONAL ACTIVITIES**

#### **Teaching**

- Faculty Leader – Advanced Airway Simulation Center. American College of Chest Physicians, Chest 2007 and 2008
- Delmarva Leadership Quality Improvement Course Faculty Member, 2005-2006.
- Scientific Basis of Medicine Course in Respiratory Physiology, 2002-2004, instructor. Dartmouth Medical School. Lebanon, N.H.
- Trauma and Burn Management—National Fundamental Critical Care Support Course, 2002-2003, Instructor. Society of Critical Care Medicine.
- Fundamentals of Clinical Skills, 2001, instructor. Johns Hopkins University School of Medicine.

## ORGANIZATIONAL ACTIVITIES

### Membership and Participation in Professional Societies

American College of Chest Physicians	2002 - Present
Society of Critical Care Medicine	2001 - Present

**William Krinsky, M.D.**

#### CV

American Thoracic Society	2001 - Present
Maryland Medical Society	1999 - Present
American College of Physicians	1998 - Present
American Medical Association	1995 - Present

### Committees

<u>Stacey Scott National Lung Cancer Registry</u>	2006 – 2011
---	-------------

<ul style="list-style-type: none"> <li>• Steering Committee and Faculty</li> </ul> <u>American College of Chest Physicians – ACCP</u>	2006 – 2007

#### Johns Hopkins University, Sinai Hospital

- |                       |             |
|-----------------------|-------------|
| • Admission Committee | 2000 - 2001 |
|-----------------------|-------------|

- Clinical Competency Committee 2000 - 2001

## RECOGNITION

### Awards and Honors

Innovator of the Year – Maryland 2008  
Baltimore, MD

The Daily Record's Health Care Hero 2007  
Baltimore, MD

### New England Respiratory Research Competition and Awards Program

- Excellence in Research in Respiratory Medicine 2003

### Aventis-Lippincott Award

- General Internal Medicine 2001

**William Krimsky, M.D.**

### CV

### Johns Hopkins University, Sinai Hospital

- Outstanding Performance as Chief Resident 2001
- Outstanding House Office of the Year 1999

### Mosby Medical Books

- Selected Medical Student Representative for the Review of Medical Textbooks 1997

### University of Pittsburgh School of Medicine

- Henry Bahnson Surgical Lecture 1996

### Middlebury College

- Honors in American Studies 1990
- Honors Thesis in American Studies 1989

### **Invited Presentations**

**Elastic Scattering Spectroscopy** March, 2014  
ENB Summit  
Austin, TX

**Lung Cancer: An Overview** April 2012  
National Association for Cancer Registrars  
Washington, D.C.

**An Overview of Tissue Effects for Endoluminal Therapy in the Airway** July 2011

World Congress for Lung Cancer  
Amsterdam, Netherlands

**A review of probe-based Confocal Microendoscopy** April 2011  
ICCU  
Nice, France

**An Overview of Ablative Techniques for Airway Obstruction** April 2011  
Advances in Thoracic Medicine and Interventional Bronchoscopy  
Emory University, Atlanta, GA

**Pleural Dye Marking as an Adjunct to VATS** February 2011  
ENB Summit  
Phoenix, AZ

**William Krimsky, M.D.**  
CV

**An Assessment of the Diagnostic Capability of Confocal Laser Endomicroscopy in Abnormal Alveolar Tissue** November 2010  
CHEST 2010
