CAREER TALK

Speakers: Dr. Priscilla Chan and Mr. Bernard Lo

Date: 28 January 2013 (Monday)

Time: 7:00 pm to 8:30 pm

Venue: L3, Science Centre Lecture Theatre

Speakers' background:

Dr. Priscilla Chan completed her B.Sc. degree in our Programme and earned her Ph.D. degree in the Molecular Biotechnology Programme in 2009. She has been a post-doctoral fellow in our Programme for a year before leaving the campus. She is currently working as Assistant Commercialization Manager at Nano and Advanced Materials Institute Limited, one of the five R&D centers governed by the Innovation and Technology Commission of HKSAR government. In her talk, she will share her fruitful experience on the transition from working in the laboratory to the commercial office.

Mr. Bernard Lo completed his B. Sc. degree in our Programme in 2005, joined the Government as an Administrative Officer in the same year, and obtained his M.P.A. degree from H.K.U. in 2011. He enjoyed the wide exposure to diversifying policy areas through his postings at the Financial Services and the Treasury Bureau, Education Bureau and Home Affairs Bureau. Mr. Lo is now with the Office of the Government Chief Information Officer, overseeing e-government policies, in particular the GovHK programme. He would share with students his path from a scientist to a generalist, as well as how a career at the Government is like.
