

## *Programme Objectives*

The Master of Arts in Music programme aims to provide advanced academic and practical instructions on music and its broader cultural contexts to equip students with the critical skills and acumen they need in order to thrive in their endeavors. It is designed not only for individuals who currently work in the music field, but also for music lovers with strong musical backgrounds from other professions.

## *Fellowships Available*

Outstanding local students (2023-24) will be awarded close to two-thirds of tuition remission under the UGC's Targeted Taught Postgraduate Fellowships Scheme.
