

Core Facilities: Molecular Biology

Agilent Bioanalyzer

Service Charges

Effective 1-August-2023

	CUHK Academic Research (HKD)
Kits to be provided by users	\$220 / hour
Technical support^[1] on request	\$300 / hour

- The investigator must be a regular employee of CUHK AND payment must be made from an internal CUHK financial account that qualifies for internal transfer.
- Listed prices are estimates, and are to be used for project planning purposes only.
- Official pricing will be quoted upon order.
- One demonstration of assay procedure and usage of analysis software will be provided by core lab staff for new users
- Block-rate scheme is available. Please contact LiHS Core Laboratory on 3763 6004 / 3763 6043 for enquiry.

[1] includes further demonstration or assistance with data analysis, except for troubleshooting.

Core Facilities: Molecular Biology

iScan

Service Charges

Effective 1-August-2023

Assay Type	CUHK Academic Research (HKD)
Infinium beadchip	Pricing will be quoted upon request.
Custom beadchip	Pricing will be quoted upon request.

	CUHK Academic Research (HKD)
Kits to be provided by users (Scan Only)	\$730 / hour

- The investigator must be a regular employee of CUHK AND payment must be made from an internal CUHK financial account that qualifies for internal transfer.
- Listed prices are estimates, and are to be used for project planning purposes only.
- Official pricing will be quoted upon order.
- Please provide (1) total number of samples and (2) maximum number of samples per batch for quotation.
- For details of iScan BeadArray Technology and products, please visit [Illumina iScan website](#)

Core Facilities: Molecular Biology

Qubit

Service Charges

Effective 1-August-2023

	CUHK Academic Research (HKD)
Kits to be provided by users	\$180 / 0.5 hour
Technical support^[1] on request	\$300 / hour

- The investigator must be a regular employee of CUHK AND payment must be made from an internal CUHK financial account that qualifies for internal transfer.
- Listed prices are estimates, and are to be used for project planning purposes only.
- Official pricing will be quoted upon order.
- One demonstration of assay procedure and usage of analysis software will be provided by core lab staff for new users
- Block-rate scheme is available. Please contact LiHS Core Laboratory on 3763 6004 / 3763 6043 for enquiry.

[1] includes further demonstration or assistance with data analysis, except for troubleshooting.

Core Facilities: Molecular Biology

QuantStudio 12K Flex Real-Time PCR System

Service Charges

Effective 1-August-2023

	CUHK Academic Research (HKD)
384-well block Real-time PCR	\$260 / hour
96-well block Real-time PCR	
TaqMan Low Density Array TLDA	
Technical support^[1] on request	\$300 / hour

- The investigator must be a regular employee of CUHK AND payment must be made from an internal CUHK financial account that qualifies for internal transfer.
- Listed prices are estimates, and are to be used for project planning purposes only
- Official pricing will be quoted upon order.
- 96-well block Real-time PCR and TaqMan Low Density Array TLDA are available on every Thursday and Friday AM.
- Block-rate scheme is available. Please contact LiHS Core Laboratory on 3763 6004 / 3763 6043 for enquiry.

[1] includes further demonstration or assistance with data analysis, except for troubleshooting.

Core Facilities: Molecular Biology

BioRad Bioplex-200

Service Charges

Effective 1-August-2023

Estimated sample price for respective sizes of batch	
CUHK Academic Research (HKD)	Pricing will be quoted upon request.

	CUHK Academic Research (HKD)
Kits to be provided by users (Scan Only)	\$6600 / plate

- The investigator must be a regular employee of CUHK AND payment must be made from an internal CUHK financial account that qualifies for internal transfer.
- Listed prices are estimates, and are to be used for project planning purposes only.
- Official pricing will be quoted upon order.

Core Facilities: Molecular Biology

Laser Microdissection

Service Charges

Effective 1-August-2023

	CUHK Academic Research (HKD)
Consumables to be provided by users	\$290 / hour

- The investigator must be a regular employee of CUHK AND payment must be made from an internal CUHK financial account that qualifies for internal transfer.
- One operating training session will be provided for new users.

Core Facilities: Molecular Biology

ChemiDoc MP Imaging

Service Charges

Effective 1-August-2023

	CUHK Academic Research (HKD)
Consumables to be provided by users	\$20 / 0.5 hour

- The investigator must be a regular employee of CUHK AND payment must be made from an internal CUHK financial account that qualifies for internal transfer.
- One operating training session will be provided for new users.

Core Facilities: Molecular Biology

Droplet Digital PCR

Service Charges

Effective 1-August-2023

No. of samples	CUHK Academic Research (HKD)	No. of samples	CUHK Academic Research (HKD)
8	\$972	56	\$3,671
16	\$1,161	64	\$4,644
24	\$2,133	72	\$4,833
32	\$2,322	80	\$5,804
40	\$3,293	88	\$5,993
48	\$3,482	96	\$6,182

- The investigator must be a regular employee of CUHK AND payment must be made from an internal CUHK financial account that qualifies for internal transfer.
- Listed prices are estimates, and are to be used for project planning purposes only.
- Official pricing will be quoted upon order.
- Users should bring their own reagents and consumables. Core Lab only provide reader oil.

Core Facilities: Molecular Biology

BD FACSAria Fusion Cell Sorter

Service Charges

Effective 1-August-2023

	Self-served Plan	Technical support^[1] on request
CUHK Academic Research (HKD)	\$800 / hour	\$300 / hour
Booking hours	9:00 am – 5:00 pm on working days	
Chargeable hours (on half-hourly basis)	Start-up Time (1 hour for Flow Cytometry service / 1.5 hours for Sorting service) <ul style="list-style-type: none"> • Run Time (Inclusive of idle time, if any) • Shut Down Time (0.5 hour for both Flow Cytometry Service & Sorting Service) 	
Block-rate Scheme	<ul style="list-style-type: none"> • Discount will be offered for purchase of every 50 / 100 Booking Hours (available upon request) • Validity of scheme: 12 months. • Payment for the block-rate scheme can be made in 2 instalments, being in the 1st month and in the 7th month of the validity period. 	

- The investigator must be a regular employee of CUHK AND payment must be made from an internal CUHK financial account that qualifies for internal transfer.
- Listed prices are estimates, and are to be used for project planning purposes only.
- Official pricing will be quoted upon order.
- Two training sessions will be provided to new users after demonstration of operating procedures by core lab staff. Technical support afterwards will be charged.

[1] includes further demonstration or assistance with data acquisition and analysis, except for troubleshooting.
