CADENZA: A Jockey Club Initiative for Seniors is a HK\$380 million project initiated and funded by The Hong Kong Jockey Club Charities Trust in light of a rapidly ageing population. The Faculty of Social Sciences of The University of Hong Kong and the Faculty of Medicine of The Chinese University of Hong Kong are the project partners. CADENZA aims at creating an elder-friendly community which fosters positive community attitudes towards older people and continually improves the quality of care and quality of life for Hong Kong's elderly.
