Dear Professor Chan,

**Application for Accreditation of the BSc (Hons) in Statistics
offered by the Chinese University of Hong Kong**

I refer to the application for accreditation of the captioned statistical programme to the Examination Board of the Hong Kong Statistical Society (HKSS). On behalf of the HKSS I would like to thank you for your interests in and support for the statistical professional examinations offered by the HKSS.

During the meeting of the Examination Board held on 19 February 2016, members studied the detailed documents that you prepared and sent to us. I am pleased to inform you that the HKSS Examination Board has come up with the following recommendations :

Courses	Exemption
• STAT 2001, STAT 2003	Graduate Diploma module 1
• STAT 2006, STAT 4003	Graduate Diploma module 2
• STAT 3007, STAT 4005	Graduate Diploma module 3
• STAT 3002, STAT 3008, STAT 4006	Graduate Diploma module 4
• STAT 3003, STAT 4002, STAT 4008	Graduate Diploma module 5

Candidates who (a) have attended all the relevant equivalent courses as listed above; and (b) obtained 2nd Class Honours (Upper class) or above, would be exempted from the HKSS GD modules. You can promulgate the accreditation results on your own websites / documents as you consider appropriate.

Once again I would like to thank you for the interest you and your students have in the HKSS examinations. Please feel free to contact us if you have any views/questions.

With best regards
