

I am Anika, and I am thrilled to be here as one of the advisors at the LLEC.

To break the ice, I have two truths and one lie to share with you:

- 1) I am a coffee drinker, and nothing beats the aromatic and delicate cup of coffee in the morning. (Favourite beans has to be hands down, Geisha Village)
- 2) My guilty pleasures on Netflix are all J-Dramas, K-Dramas and Crime Drama shows (yes, Netflix- I am still watching...)
- 3) I heckled a street performer once at Covent Garden (no regrets!)

To find out which one is the lie, you'll have to find me and have a good chat! See you all soon.
