Positive and caring experience in the College

和聲關顧與正向體驗

Lee Woo Sing College advocates harmony, positive and care. Since its establishment, the College has always been student-oriented and dedicated to providing students with comprehensive care and a positive College experience. Students are the basic and most important component of the College. Therefore, we take care of our students from their daily living, their physical and spiritual needs, as well as their whole person development in every possible way.

The positive thinker sees the invisible, feels the intangible, and achieves the impossible. We believe that students can always learn from their peers, care for and support each other through student activities, educational programs and daily living, and establish and maintain a positive community for the College. We hope students' positive attitude and lifestyle can be radiated from individual to the student community, to the entire College, and even to the society.

The College has strengthened caring strategies for students and increased direct communication channels, such as email message from Dean of Students and College mobile app, with students. Apart from WS HI-Tea gathering with the students, Dean of Students regular meeting, and Wardens' weekly meeting, we shall organize town hall meetings and collect feedback and opinion through various student organizations to improve student caring services. Students may write to our Dean of Students as well.

和聲書院著重和諧、正向與關顧。自成立以來，一直以學生為本、用心為學生提供全面關顧及正向書院體驗。學生是書院最基本、亦是我們最重視的組成元素，所以書院對學生的關顧從日常生活、到身心靈需要、以至全人發展都無微不至。

學生可通過書院各項學生活動、教育項目及各種生活體驗，互相關懷、支持，並建立及維持書院正向社群。我們希望這個正向社群可以像漣漪一樣從個人、到學生社群、整個書院、以至整個社會，將正向生活實踐並傳揚出去。

書院亦積極加強對學生的關顧，增加與學生的直接溝通渠道(例如輔導長通訊及書院手機程式等)。除定期與學生下午茶茶聚、輔導長面談時間、每周舍監輔導時間外，亦會舉行收集意見會議及通過不同的學生組織聆聽學生需要，務求更貼心關顧學生的需要並提供適切的服務。書院設有輔導長信箱，學生可隨時寫信給輔導長。

Adjusting to University and College life - Onboarding Programme

和聲啟程 - 大學生活適應計劃

Studying in a University is a major change in freshmen's lives. To help them adapting to University and College life, Lee Woo Sing College launched a new Onboarding Programme for Year One Students as part of our plan in enhancement of student care and counselling services since 2017/18. The programme aims at helping freshmen to identify their personal goals as early as possible and to adjust themselves for University life via peer networking and mentorship scheme, so as to understand self and the society well, and lay a good foundation of their personal development.

The Onboarding Programme consists of networking activities and mentorship scheme, on top of the General Education courses and activities for year one students. The peer networking and mentorship scheme provide an interactive communication and sharing platform among peers and with mentors during their study in year one.

There are about 20 trained mentors (senior students) with different background (local and non-local students) from various faculties joining the mentorship scheme each year. Besides, College's faculty teachers are always there for personal development and academic guidance.

Workshops under Onboarding Programme 和聲啟程計劃下的工作坊系列

一年級新生踏入大學，將面對生活與學習上的重大轉變，書院自2017/18年起推出的「和聲啟程」計劃，讓一年級學生盡早訂立個人目標，並在朋輩及師友協助下適應學習與人際關係的轉變，從而認識自己、瞭解社會、在個人發展基礎上站穩陣腳，追尋理想。

「和聲啟程」計劃透過一系列活動、師友計劃，結合為一年級學生提供的通識教育課程，為新生提供整個學年的全面生活及學習引導。計劃中的朋輩交流及師友計劃元素為一年級學生提供一個與同級學生或學長建立溝通及互助網絡的平台。

每年有約二十位來自不同學系(包括本地及非本地高年級學生)的學長參與師友計劃，所有一年級學生會獲安排一位提供大學生活輔導「師兄、师姐」；而每學系的書院老師均樂意為學生提供個人成長及學術輔導。

Music and sports development

音樂及體育發展

Apart from caring students' intellectual development, the College cares for their spiritual and physical needs as well. We have been developing in music, arts and sports, and organize regular arts appreciation activities, sunset concerts and sports competition activities.

More than 300 students have joined and being invited by organizations in the University and from outside for singing performance, e.g., the Pine League Musical Performance at Tsing Hua University, Beijing in 2017, and frequent performance in our sister college - Diligentia College of CUHK(Shenzhen) in recent years, etc.. Besides external performances and daily practice, the choir organizes annual concerts and performs in all sort of College ceremonies. Apart from the Choir, our Drama Club under WSSU is a well-established College drama society in CUHK. The Club won twice for the Best Performance Award and other production prizes in Inter-Collegiate drama competitions.

There are 15 College sports teams in WS which welcome all students to join. In the past few years, we have outstanding performances. For example, the men's and women's volleyball teams and row-

ing team have won prizes including champions in inter-Collegiate competitions. To promote sportsmanship in the College, a group of sports-enthusiastic students formed a Sports Association. They organize a series of sports related activities for our students such as Master Cup, Sports Day and workshops, and manage fitness room and table tennis facilities.

領袖培訓與通識教育體驗

Lee Woo Sing College cares a lot about students' moral and intellectual development. We provide students with whole-person education through a wide range of programmes, to nurture future leaders. The goal of our general education courses is to provide background and core skills students can later use in their studies and profession. Green Life and Smart Campus

綠色生活及智慧校園

Care for environment

科技・創意 - 推動綠色生活

Enjoyment of a ‘green life’ is one of the core collegiate experiences for Lee Woo Sing College students, and one of which they are right to be proud of. In addition to the installation of infrastructures reducing carbon footprint (including installation of Hong Kong’s first hostel smart meter system and high-performance CIGS solar energy generation system), we have installed the energy monitoring and information systems on campus. Students may check their real-time energy usage and that of the hostel from their mobile devices. We adopt green practices in our daily lives. For example, we were the first College at CUHK to implement an on-campus food waste classification system, canteen no-plastic policy and to enhance both teachers’ and students’ awareness of the importance of energy conservation and environmental protection. Our campus attained the Platinum rating under the ‘Building Environmental Assessment Method (BEAM)’ for its green building features and advanced green infrastructure.

In addition to green technologies and hardware installed on campus, we actively promote green culture in the College. A series of green activities are held regularly, such as workshops, visits to green organizations, organic farming courses, flea market and our signature green education showcase - GreenWS Day. Our aim is to shape the College as a green and smart campus.

綠色生活是每個和聲人引以為傲的書院經驗之一。書院不僅在校舍安裝減碳減排的綠色基建設施（包括全港首個宿舍智能電力讀數裝置及高效能CIGS薄膜太陽能發電系統等），亦已在校舍安裝能源監察及資訊系統，學生可通過手機等裝置瀏覽自己及整座宿舍的即時用電量。我們鼓勵師生將環保投入生活，例如書院的師生飲食中心是大學實施全面顧客自行廚餘分類及全面走塑措施的餐廳，措施用以提升他們對節約能源及環境保護的意識。而書院校舍亦獲香港建築環保評估協會按建築環境評估法(BEAM)評定為鉑金級別標準認證，以表揚其校舍建築及設計注入多項環保元素。

除綠色科技及硬件外，我們亦積極在書院內推動綠色文化，每年定期舉辦一系列環保工作坊、機構參觀、有機種植活動、跳蚤市場及大型綠色教育活動--綠色和聲日。

The Smart Meter system installed in hostel since 2012. A reasonable and moderate amount of free electricity quota is added to the student account every month. Students can check and monitor the electricity consumption including usage of lights, sockets and air-conditioning at any time via an online platform. Real-time data allows students to consider adjusting their electricity consumption habits in order to save energy. Students may top up their account with electronic payment methods via a mobile app. The progressive top-up rate is also one of the ways to remind students to save electricity. The overall electricity consumption in WS's student bedrooms is 40% less compared to hostel of same scale.

自 2012 年起使用之智能電力讀數裝置每月為學生戶口加入合理而適量的免費電額，學生可隨時在手機或電腦連接網上平台查閱及監察包括電燈、插蘇及冷氣三項用電的即時數據，讓學生可以考慮調整用電習慣以學習節約能源。當學生免費電額耗盡，可以於手機平台以電子貨幣增值戶口繼續用電，遞增的增值費率亦是提醒學生節約用電的方法之一。和聲的宿舍房間用電量較同規模宿舍之用電減少了四成。

Residential
Experience

舍堂生活

Our home, your memories

充滿美好回憶的家

College's residential experience is a unique and defining feature of University life. Living on-campus – living where you study, studying where you live – offers a fundamentally distinct way to engage College life. You have a greater number of opportunities to deepen your ties to both the College and the University at large by building deep, long-lasting relationships that will last for decades. In WS hostel, we believe students could learn more than just the way they live with students of their age coming from different countries, different background and different faculties – we hope our students could learn mutual respect to each other and learn from each other – so as to build a harmonious community. That could benefit individual by providing an opportunity for them to develop into a better person with good communication skills and empathy to others, so as to accommodate the needs of others, and of course the hostel community as a whole by modelling a “home-away-from-home” for all students.

Learning does not only mean acquiring knowledge from textbooks. Students can learn from peers, no matter from junior or senior students, for knowledge and life experience via daily life and hostel activities – having a night chat, reading club, interest groups, etc.. Our Wardens and Hostel Tutors are always there to provide guidance of living and personal development. Indeed they are good mentors, no matter for formal and informal advice.

WS hostel features more than simply the hostel itself: it includes own dining, recreational, fitness and music facilities, plus dedicated groups of Wardens, Hostel Tutors, staff from College Office and executives of WSSU Residential Students' Association, who work hard to care for each individual student in the College family. Starting from 2021/22, College Office launched the Residential Life Enrichment Programme to add spice to residents' hostel and University life. A hostel fee subsidy scheme has been launched since 2021/22 to lighten the financial burden of students as well.

舍堂生活是大學生活不可或缺的一部份。大學住宿並不只於方便上課，更讓學生可多參與大學、書院及舍堂活動，從而認識來自不同學系的朋友，建立深厚友誼。在和聲宿舍，我們相信學生學習的不僅是如何與來自不同國家、不同文化背景和不同院系的同學相處，而是能學會相互尊重，彼此學習，共同建構一個和諧的群體。這不但對學生的個人成長、溝通技巧和增進同理心有所幫助，亦可為學生營造一個家以外的另一個家，讓整個宿舍、以至書院群體獲益。

學習並不單指從教科書中獲得知識。學生可以從朋輩身上學習，無論是比自己高年級或低年級的同學，你都可以通過日常生活和宿舍活動學到不少的知識和生活經驗。書院的舍監及宿舍導師會為學生提供生活和個人發展指導，事實上，他們就像是學生的人生導師，無論是正式的或非正式的建議，他們都樂意與學生一起商談。

和聲書院的宿舍除了提供餐膳、休閒、健體及音樂等設施外，還有一隊由舍監、導師與院務室同事組成的團隊和書院宿生會幹事，為每位宿生提供全人關顧。院務室更自2021/22年度起舉辦豐盛舍堂生活計劃，讓學生的住宿及大學生活更多姿多采，並提供宿費資助計劃減輕學生經濟負擔。

"Lee Woo Sing College hostel is a place where students of different background, disciplines, years of study, and talents can meet, interact, and learn from each other while growing in their personal experience and characters. We encourage our students to join the various hostel activities of their interest and moreover, to take lead in organizing functions of their own. Activities such as joining the WSSU Residential Students' Association, or helping the Wardens' team on events, etc., will definitely add colour to one's hostel life and broaden the horizon of his/her personal development. We very much look forward to your participation and involvement in LWS hostel activities!"

「和聲書院宿舍是一個讓學生與不同背景、不同學習範疇、不同年級、擁有不同技能的學生一同學習、一同成長，建立自己獨特品格的地方，通過不同形式的生活學習及互動，我們希望營造和諧的宿舍氣氛。而我們亦鼓勵學生在閒暇時間多參與自己有興趣的宿舍活動，甚至組織籌辦活動。無論是參與書院宿生會或協助舍監籌辦活動，都會為你的宿舍生活增添姿采，並可擴闊眼介及從與朋輩學習中讓自己成長。我們十分期待你的參與，並樂在其中。」

Mr. LU Huanjiu & Ms. DENG Xiuxia “DARE Scheme”

盧煥就伉儷「DARE Scheme」

DARE as an English word means having or taking the courage. Using this in an eponymous manner, the College has chosen it as the acronym to represent Dream, Action, Reflection and Evaluation, and established the DARE Scheme from 2023/24 to encourage our students and alumni to dream their dreams, then take the courage to realise a chosen one through action, reflection and evaluation.

The College would provide financial and other necessary support to successful candidates, at the maximum of \$50,000 per project, allowing them to embrace their own limitations and, in the process, transcend the above by transforming their dreams into action with feasible and practical planning and preparation. We hope, before the end, our students and alumni shall become insightful leaders with enlightening experiences.

DARE 意思為「敢於」或「勇敢」，而這四個英文字母代表「Dream 夢想」、「Action 行動」、「Reflection 反思」、「Evaluation 檢討」。書院自 2023/24 年度起設立 DARE Scheme 計劃以鼓勵和聲學生及校友敢於追求自己夢想，透過不斷的行動、反思和檢討，把夢想得以實現。每個獲選計劃可獲最高五萬港元資助，書院希望參加者能通過此計劃認識並超越自己局限，以切實可行的計劃將夢想轉化為行動，最後成為具前瞻性的領導者。
