SP01	Canada	University of British Columbia	<a href="#">Vancouver Summer Program (July Session)</a>	11 July – 11 August 2025	N/A*  *Students will earn a certificate and grades letter upon successful completion at the end of the program. However, the VSP course package do not carry UBC credits and the VSP grades letter is not an official UBC transcript.	<p>You will take the two-course package <b>"Arts A July - From Stage to Screen: How Vancouver 'Plays' to a Global Audience"</b></p> <p><b>From Drama to Theatre: How does a play mean? (Theatre):</b> This course will explore the languages of theatre within Vancouver's rich and lively performance culture. How do individual artists-directors, actors, designers-transform a playwright's ideas into unique and original art? In what ways, for example, will a Shakespeare play produced in Vancouver become a Canadian play? These questions and more will be explored in relation to two plays a week in production in Vancouver during the term. We will examine and discuss the play scripts, attend the plays, and meet "backstage" with some of the artists themselves. Plays chosen will span a variety of genres, including Shakespeare (in production at Bard on the Beach Shakespeare Festival), musicals (in production at Theatre Under the Stars and the Arts Club Theatre Company), plus additional dramas and comedies in production.</p> <p><b>Documentary &amp; the City (Film):</b> For the first time in human history a majority of the world live in cities. While there are multiple threats posed by the growth of cities, such as poverty, migration, and social divisions, there are also surprising and innovative practices that emerge. The city of Vancouver is brimming with stories that can tell us many things about the world we live in. Focusing on documentary films and film making, this course introduces students to these often hidden stories of the city through key writings, films, and direct engagement with life in Vancouver. Students will use creative methods to connect critical analysis with their everyday experiences, while authoring basic documentary projects in neighbourhoods throughout the city.</p>	<p>Course Information about Arts A July: <a href="https://vancouversummerprogram.ubc.ca/course-packages/arts-july-2025/">https://vancouversummerprogram.ubc.ca/course-packages/arts-july-2025/</a></p> <p>- Documentary Film Studies - Performance Arts - Theatre Studies</p>	<p>- The full package package fee is CAD 5,975 with the following breakdown: - Tuition and other fees (e.g. activities, etc.): CAD 4,345 - Accommodation: CAD 1,630 (<a href="https://vancouversummerprogram.ubc.ca/student-life/accommodation/">https://vancouversummerprogram.ubc.ca/student-life/accommodation/</a>)</p> <p>Students will also need to pay for flight tickets and any other expenses (<a href="https://vancouversummerprogram.ubc.ca/apply-now/fees-and-expenses/">https://vancouversummerprogram.ubc.ca/apply-now/fees-and-expenses/</a>).</p> <p>Note: - An extra 4% of service fee charged by the host university will be added to the full package fee in the payment portal to cover transaction fees. - Students will need to pay in full to the host university first.
